SPECIFICATIONS

Overview

This is a one of a kind custom express sportfishing boat built by Slane Marine. Starting with a 36' Hatteras hull, this is a totally custom boat with 3126 diesel CAT power. This boat has just gone through a MASSIVE refit. Recent work started with new and larger fuel tanks. This resulted in a new cored fiberglass cockpit deck. Next, the boat bottom was mechanically "shaved/peeled" and then she was epoxy barrier coated. Finally, the boat received a paint job. This is a must see!

DETAILED INFORMATION

Layout

Express model with centerline helm station. Second helm chair to port L-shaped lounge seating to port and starboard. Full tower with fiberglass hardtop and 3-sided EZ2CY enclosure.

From helm deck, entry to cabin companionway is to starboard. Galley is located to starboard and forward is a diagonal queen berth. To port there is a green leather lounge that makes a berth for a 3rd guest. Aft of the port lounge is the head which features teal green Corian top and sink and tile flooring. A separate stall shower has bi-fold doors. There is a Sealand "vacuflush" toilet. There is excellent storage throughout the cabin area - custom overhead lockers built above the queen berths and portside lounge. There is also, storage under the companionway steps.

Companionway

Upon entering the cabin to starboard the AC/DC electrical panels are mounted on the starboard side panel. Four steps down into the cabin, to port is a large rod storage locker.

Galley

Located to starboard, the galley features custom red oak cabinetry and teal green Corian countertops and a molded off-white sink. There are overhead storage lockers above the galley. There is an under counter refrigerator with freezer and a microwave oven
