## Overview

---

**Joy stick control takes the stress out of docking. Volvo IPS propulsion and common rail diesel technology provide smooth, quiet, smokeless, fuel efficient performance; exhilarating speed; and excellent cruising range.**

The Tiara 3600 Open with Volvo IPS-500 diesel power delivers incredible performance and fuel efficiency; big boat capability; and small boat ease of handling. This classic beauty is perfect for day trips or cruising to distant destinations. Master Plan will cruise at speeds of 30 knots and has a range of almost 400 miles. The accommodations are very comfortable for a couple with occasional guests and the cockpit is ideal for fishing, diving, family fun, or just sipping cocktails and watching the setting sun.

**Fuel Type:** Diesel

# DETAILED INFORMATION

---

## Vessel Walkthrough

---

Warmth and quality exudes from the lush teak interior with a solid teak & holly sole and ultra leather upholstery. Reverse cycle heat and a/c with a generator provides year round comfort. For natural light and ventilation there are six stainless steel opening ports with screens and three deck hatches with Ocean Air screens/sunshades. The acrylic sliding companionway hatch has a built in sliding screen and privacy cover. The forward master stateroom features a centerline island double berth which lifts with the assistance of gas shocks to access a very large, functional storage area. There are storage shelves and a cedar lined hanging locker. The teak bulkhead with a solid door and sliding panel can be open and airy or closed for privacy. The galley with Corian counters and stainless steel sink is to port. The U-shaped dinette with a beautiful high gloss teak and birds eye maple table is to starboard and converts to a comfortable double berth with a pilot berth. The head and shower is located aft to port.

## Salon

---

The teak bulkhead with a solid door and sliding panel can be open and airy or closed for privacy.

- Lush Teak Interior
- Finely Finished Quality Joinery
- Solid Teak & Holly sole
- Ultra Leather Upholstery

- Underwater Lights

---

## Remarks

---

This is a very sharp looking yacht that is also fun, fast, fuel efficient, and very capable. She can bring you lots of enjoyment taking you to your favorite destinations.

She has been maintained to the highest standards since new by her very meticulous owner. She has been dry stored indoors from May to October and the gelcoat has been waxed monthly during the winter months at her owners private dock. All engine and IPS service has been performed by an authorized Volvo dealer. This is a great opportunity to enjoy huge savings on a boat that is now priced at over \$500,000 and to reap the benefits of the high standards to which this yacht has been maintained by its original owner.

---

## Exclusions

---

Owner's personal belongings.
