Overview

Rowdy needs no introduction to those who know the Mediterranean classic regatta circuit. She has dominated the scene for the last 3 years, since her arrival from the 'States. Optimized every year, she continues to win despite stiff competition from yachts and rating officers alike.

One of the beauties of Rowdy is her level of authenticity; everywhere are examples of Herreshoff's genius, including original windlass, toilet, bronze fittings and a superb reproduction interior faithful to the original.

Although primarily a race boat Rowdy is also ideally suited for day and weekend sailing with friends and family. Kept in immaculate condition by her loving and professional crew Rowdy is ready to continue bringing in the silver for years to come.
