# DETAILED INFORMATION

---

## OVERVIEW

---

The pride and craftsmanship of the builders is apparent in each and every Cruisers built. Each vessel is constructed with traditional values as well as the latest advanced technology. This vessel is powered by twin 315HP Yanmars with only 160 original hours. She sports the elegant cherry wood interior package, aft deck hardtop and wing doors. She has two full staterooms. The master stateroom head has a tub and shower. Vacu flush heads are throughout. The bridge and aft deck have crystal clear full eisenglass enclosures. The cockpit or aft deck has a wet bar, fridge, wing doors and this vessel has molded- in steps to all areas of the yacht, not ladders.

This vessel has been meticulously maintained by a Captain and shows pristine. Gel coat is in excellent condition and shines like a diamond.

You will be proud to cruise the Bahamas and enjoy the balmy breezes while watching the sunsets with family and friends aboard this fine vessel! Truly a turn key yacht.

This boat is one of the nicest Cruisers Yachts you will find anywhere. Period!!

## Salon

---
