SPECIFICATIONS

Overview

The Albemarle 242 is truly one of the finest all-purpose fishing boats under 25 feet on the market today. Featuring our advanced Jackshaft Power System, this unique boat combines fast, fuel efficient, and functional performance, with 360-degree fishability. A wide-open cockpit, soft dry ride, ample storage, and a long list of standard features allows the 242 to perform like no other boat in its class and makes it an unbeatable choice for the fisherman who wants a serious offshore center console that is easy to trailer, yet delivers the absolute best in safety, reliability, and angling adventure.
