Hull Configuration: Semi-Displacement **Exterior Designer:** Van Mill Shipyard

Interior Designer: Claudette Bonville

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3512B

Fuel Type: Diesel

DETAILED INFORMATION

Remarks

In 2006 *Starship* completed an exhaustive two year refit which involved removing the entire interior down to bare walls, and the exterior to bare metal. \$14 million later, with all new systems including electronics, entertainment, navigation and machinery; *Starship* was new. Then in 2010 Quantum Zero-Speed stabilizers and new generators were added. In September of 2015 she benefited from another \$2 million expenditure which included new exterior paint, an updated interior, and many system updates as well. Another \$300,000 was spent in 2017 on cosmetics to keep her in top condition. Most recently, the turbos, aftercoolers, and exhaust risers were rebuilt. The next major engine service isn't due for another 4,500 hours.

This five-stateroom Dutch-built motoryacht has made five Atlantic crossings with her current owner, and carries a Bell 206 Jet Ranger (NOT included) and Jet-A fuel. She also has an 18' Novurania tender and lots of water toys and dive equipment. With a \$3,000,000 price reduction in October of 2017, this is an opportunity to buy this magnificent yacht for a fraction of what has been spent.

Electronics and Navigational Equipment

Communication Systems

- Furuno Inmarsat C Satcoms
- 1 x SeaTel VSAT Satcoms
- Panasonic Hybrid Telephone
- Sea 225 SSB - Radio room
