Deck

On the starboard side of the aft cockpit is a teak staircase up to the flybridge. There are storage cabinets on both the port and starboard side haunches, which allow for storage of cleaning equipment. The teak aft deck area has a covered settee located aft. Down two steps through either starboard or the port door is a large teak swim platform, a great staging area for watersports activities. A large electrically operated door on the transom allows access to the crew quarters, machinery and engine room areas. There is a hot and cold freshwater shower here. Stern docking lights are mounted in the transom haunches. Forward are large side decks to the foredeck with a large sunpad and ample space in storage lockers.
