SPECIFICATIONS

Overview

(LOCATION: Detroit MI) This 50' Chris-Craft Constellation is a fresh water time machine with classic features and drop-dead good looks. Sweeping bow, teak decks, wood hull, covered helm, spacious aft deck, and traditional salon make her stand out in any marina. Whether you are planning a day on water or a weekend getaway, this 50' Constellation is ready to accommodate with three staterooms.

On deck we start with a teak foredeck with stainless steel bow rail, wide teak side decks, and wing doors to aft deck. The aft deck has EZ2CY enclosure, new furniture, and wet bar with refrigerator, ice maker, and liquor storage. Forward is a centerline helm with original gauges, Auto Helm tridata depth sounder, Raytheon GPS, Loran, chart plotter, radar, and VHF radio & hailer. She has everything you need to get you where you want to go and back home safely. A port side companionway leads below.

The open salon has large windows, new window treatments, new carpet, and warm wood tones providing a comfortable and relaxing living area. There are two easy chairs, a sleeper sofa with coffee table, entertainment center, and even refrigerated wine storage. Forward and down is a full galley with wraparound cabinets, full size refrigerator, built-in microwave oven, and three-burner range with oven. A convertible dinette is to starboard and seats four or sleeps two.

There are three staterooms. The forward stateroom has upper and lower bunks with new mattresses. The center stateroom has offset upper and lower berths. There is a forward head compartment serving both staterooms. The master aft cabin has two full berths. The aft head compartment has large shower stall.

This Chris-Craft was re-fitted in 1996 with twin Crusader 454XL engines and is equipped with Groco oil change system, Velvet Drive transmission, and new four-blade propellers. Other features include halon fire suppression, Bennett trim tabs, and a new reverse osmosis water filter. Three Marine Air reverse cycle HAC units maintain interior comfort and an Onan 10kW generator provides offshore electrical power. This beautiful 50' motor yacht is exceptionally well maintained and ready to cruise. This is not a restoration, she has had owners who have cared for her. Call now and make an appointment to see for yourself what classic boating is all about. Motivated seller says bring offers!
