Overview

The Ventnor Vagabond 20ft. Gentlemen's Runabout

The newly recreated, handcrafted reproduction of the "Art Deco" watercraft of the 1940's. Absolutely no known production water craft of this period has a more recognizable profile on the water than the famous Ventnor finned runabout. Each Ventnor is custom crafted as a unique statement of elegance and luxury... plus, hand built quality that is exact in design, scale, and appearance to the original. But, far superior!
