SPECIFICATIONS

Overview

The "Mover and Shaker" is a nice, low-hour example of the popular Sea Ray 34' Sundancer. The boat comes equipped with a pair of Mercruiser 8.1L FWC engines, generator, electronics, windlass, interior climate control, and the roomy cabin layout which has made Sea Ray so popular over the years with cruisers. This boat has seen very light use over the past couple of years due to owner's health, and is offered seriously for sale.
