Water Capacity: 70 Gallons

Fuel Capacity: 250 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 4LHA-STP

Engine Type: Inboard

DETAILED INFORMATION

Introduction

With the addition of a High Quality Marlin Tower (\$40,000), this versatile shoal draft design is ideal for cruising shallow waters while her beam allows for a capable, stable offshore fishing platform. Known for their fuel economy and efficiency, this particular Pilot is super clean, thoughtfully equipped, has excellent performance and fuel economy, is consistently maintained and priced to sell.

You will be surprised what a great boat this has become with the fishing package, don't want to fish? Unbolt the outriggers and you have a great cruising yacht with all of the cockpit shade you would want and an upper helm station for that birds eye view and the thrill of open air boating.

Vessel Walkthrough

Sleeps 4. From midships in the cockpit, enter the teak trimmed salon via a custom sliding hatch with port light that provides visibility from the inside out. The private oversized head and shower is immediately to port, followed forward by the galley and opposite the large horseshoe dinette with solid teak table which converts to a large double bed. The forward stateroom offers a large vee berth with filler, drawer and hanging locker storage, 3 overhead hatches and 3 opening ports. There is an LCD TV mounted on a swivel bracket in the opening between the galley and the stateroom which allows viewing from either area. 4 stereo speakers in cabin. Teak and Holly sole, Leatherette cushions

- Teak trim and bulkheads
- Teak and holly cabin sole
